

Buckley Associates, Inc.

Line Card for Eastern MA, RI, NH, and ME

Fans & Ventilators - Varigreen Motors and Controls, Seismic and Wind-Rated, UL-Listed Smoke Exhaust Fans
Tempered Air Products - Energy Recovery, Dedicated OA Equipment, Indoor Air Handlers, MUA Units
Laboratory Exhaust Systems - High Plume and Dilution Blowers, Energy Recovery and VAV Solutions
Kitchen Ventilation Equipment - Kitchen Hoods, Variable Air Volume Solutions & Controls, Pollution Control Units
Dampers and Louvers - Fire/Smoke Dampers, Control Dampers, Custom Louvers and Finishes

Air Distribution - Registers, Grilles and Diffusers, Security Products, Industrial Products
Terminal and Fan Coil Equipment - Single Duct, Fan-Powered, Flow Control Stations, Horizontal/Vertical FCUs
Sound Control - Absorptive, Round, Rectangular, Elbow, Custom Silencers, Acoustical Panels and Enclosures
Sustainable Design - Active and Passive Beams, Displacement Ventilation, Natural Ventilation, Underfloor
Critical Environments - Venturi Valves and Controls, OR Suites with Access Ceilings, HEPA Diffusers
Air Handling Equipment - Semi-Custom Compressorized Equipment

Radiant Ceiling Systems

Jet Diffusers, Pulkah and Nozzle Diffusers

Grease and Odor Mitigation Products for Kitchen Exhaust

Airflow and Zone Controls, Heat & Energy Recovery

Venturi Valves, Lab and Healthcare Control Systems

Underground and Preinsulated Duct Systems

Flow Meter Products for Hydronic Chilled Water and Hot Water Applications

High-Volume, Low-Speed (HVLS) Fans

Heat Recovery Units and Custom Air Handlers

Source Capture Products for Vehicle Exhaust

Iris Dampers, FRP Fans, Speciality Fans

Flamebar BW11 Fire-Rated Ductwork

Variable Frequency Drives

Bathroom Ventilation Fans

Textile Air Dispersion Products

Pre-Packaged Custom Penthouses and Air Handlers

Electronic Thermal Dispersion Airflow Measurement

Hybrid Ventilation Products

Air Filtration Products

Exhaust and Ventilation Stacks

Gas Detection Systems

Air Curtains and Air Doors

Semi-Custom DX Equipment for Schools, Labs, & Horticultural

Dust Collection Products

Car Park Ventilation Systems

Modulating Draft, Exhaust, and Combustion Air Systems

Gas Detection Systems

Pollution Control Units for Kitchen Exhaust

Critical Control Systems for Hospitals and Laboratories

Exhaust and Ventilation Stacks, Zero Clearance Grease Duct

Manual, Remote or Motorized Dampers and Controllers
