

# High Volume Low Speed (HVLS) Fans

## Up to \$2,000 Instant Incentive

### High Volume Low Speed Fans Benefits

Qualifying HVLS fans offer significant efficiency benefits by improving air circulation, reducing the reliance on HVAC systems, and lowering energy consumption.

### Equipment Eligibility

Effective June 1, 2025

Qualifying Criteria and Incentive Levels for High Volume Low Speed (HVLS) Fans	
Fan Diameter (ft.)	Customer Incentive (\$/Unit)
8-13.99	\$1,000
14-17.99	\$1,500
> 18	\$2,000
